

## Paving Stones - Venetian Random / Venetian Classic Random

The pressed corners of our Venetian pavers convey a warmth and appeal of authentic cobblestone. As there is no set laying pattern for these stones, they can be used to construct a wide range of designs that are each distinctive and extremely attractive.

Venetian Classic Random is a tumbled stone that reflects a traditional, antiqued look.

### DIMENSIONS

Venetian Random

**Square (S)**  
 Length: 120 mm ( 4.8" )  
 Width: 120 mm ( 4.8" )
